

**Morgan Town Special Meeting
Saturday December 31, 2022 @ 1:00 PM**

Meeting Minutes

1. Supervisors Ron Korzeniewski and Jeff Folts, and Chairperson Lori Witthuhn met at the town hall @ 12:55 p.m.
2. Viewed Schroeder Rd., measured from County Road C to the east through 1st curve, 1.1 miles. At the curve Ron stated that the south side of the curved area always floods and that something should be done there. Jeff suggested to dig out the ditch, all agreed since there is not much of a ditch there and that should alleviate some of the water issues in the future. The board had decided on the special meeting dated December 15th, 2022 that Schroeder Rd. would be the one to apply for grant money due to more residential traffic. Lori will begin working on the application for the grant money.
3. Viewed Morgan Marsh Rd., measured from curve where old project ended off of County Road C to where project from 2022 ended, 1.5 miles. Discussed possibly resurfacing with 2.5" – 3" of asphalt, not a lot of residential traffic. Suggestion made by Ron to check for funding from the DNR due to the marsh area. Lori and Jeff will check into grants if possible for this area.
4. Meeting adjourned 2:20 PM by Town Chair, Lori Witthuhn
