

Ditching and Excavation Bid Request

Town of Morgan

Project Details

Project Title: Morgan Marsh Road Ditching

Type of Work: Ditching & Excavation

Project Location:

Approx. 2,000 linear feet along the North side of Morgan Marsh Road, adjacent to the Oconto County Alliance property.

Scope of Work

The scope of this project includes the following:

- Excavation and cleaning of approx. 2,000 linear feet of ditch along the north side of Morgan Marsh Road.
- Proper grading and sloping of ditches to allow for efficient water runoff and long-term drainage performance.
- Shaping ditch bottoms and side slopes according to standard drainage specs.
- Removal of excess soil or debris created during excavation (to be hauled offsite or spread onsite per client instruction).
- Coordination with utility locating services to ensure safety prior to excavation.
- Final grading and site cleanup upon completion of ditching work.

Project Schedule

- **Estimated Start Date:** 10/21/2025

Terms and Conditions

- Proposal valid for 30 days from issue date.
- Changes in scope or unforeseen site conditions may result in additional charges.
- All underground utilities must be marked before work begins.
- Client agrees to provide access to the worksite and necessary permissions.

Anyone interested in submitting a bid for this project can send an email to morgantownclerk@gmail.com, mail proposal to 3276 County Road C, Oconto Falls, WI 54154, or bids can be dropped in the lockbox located at the town hall. These are not sealed bids.
